With this we, **Albrecht-Automatik GmbH**, Pulheim, Germany, confirm that **Mr.Marion Pein** and **Mr.Nils Arne Droße** of **Valve Service Hellas, Spithari, Greece** participated in a training for the overhaul of Albrecht-Automatik safety quick shut-off valves in our factory in Pulheim.

The training comprised the following areas:

- possible applications of our valves and their functionality
- appropriately disassembling and assembling the various types of valves
- grinding and repairing valve seats and valve cones
- trouble shooting and exchanging/inserting replacement parts
- appropriately executing pressure tests on a test bench and preparing a test record
- operating the SafeGuard
- preparation of QS documents

We confirm that Mr.Marion Pein and Mr.Nils Arne Droße are authorized to overhaul the Albrecht-Automatik safety quick shut-off valves in Greece.
